Mr. W.B. Baker
239 Auburn Ave. N.E.
Atlanta Ga.

Dear Mr. Baker:

Since writing you last time I have received some information which changes things. I was under the impression you were the agent for The Atlanta Black Crackers. I learn you have severed your connections with that organization. I being a member of a League of Organized baseball, cannot even think of playing an independent team in a city in opposition to a League team.

I am sorry you did not inform me of the situation so I could have had the correct picture, and not have been mislead.

I have written Mr. Harden I will play The Atlanta Black Crackers in Atlanta in the League Park on April 23rd. If you too work together that is no concern of mine.

If you have any other dates you think would interest me, send them to me. I am planning to be back in Newark for the week end of May 7th.

I am training in Florida, and the entire team will arrive there about the first of March. To date I have not closed any dates but April 23rd.

I hope the situation in Atlanta will clear itself up.

Very Truly Yours
